

Amazonia Trek

Step inside our **giant immersive aviary** where many iconic species of the Amazonian Forest live.

Animals that live with the parrots:

- ① Red coats
- ② Chilean flamingos / American flamingos
- ③ Capybaras
- ④ Giant otters
- ⑤ Red ibis and other birds
- ⑥ Jaguars
- ⑦ Snakes **New**
- ⑧ Parrots

As your expedition unfolds...

- Visit the **PWLF camp** to learn about the Parrot Wildlife Foundation's work and the umbrella effect of parrot protection.
- Meet the tiny creatures at the **Creepy Crawlies Hut**.
- Explore the canopy with **Canopy Raft Outdoor Play**, a giant playground.
- Stroll along the **Biodiversity Trail** to learn more about the environment around us and meet the park's bees.
- Take part in our activities: enjoy creative workshops and educational exhibits at the **Educational Activity Hut**.

African Grey Sanctuary

Discover the **African Greys**, abandoned parrots taken in by the park and its foundation.

- ⑨ African Grey Parrot **New**

Park Rules

Parrot World is an immersive wildlife park. You will often be in animal territory. For their well-being, your safety and to observe them in the best conditions, please follow these rules:

- 😊 • **Respect the animals and their peace**
- 🚫 • **Do not touch them**
Beware of the parrots' powerful beaks
- 🚫 • **Do not feed them**
- ♻️ • **Respect the site**
Throw waste in the bins provided
- 🚫 • **Keep on the paths**
- 🍷 • **Picnic in the designated areas**
- 🚫 • **No smoking in the park.** A designated area has been set up for smoking visitors.

Failure to comply with these rules may result in exclusion from the park.

Amazon Lodge

A night from **115€ /pers.**

Based on a 4-person rate, low season, including dinner and a glass of champagne, breakfast, accommodations, free-lift park access, special entertainment.
